2012 GLOBAL THEORY COURSE SCHEDULE

COURSE PRICING

Jeppesen Academy training is available at Jeppesen, Boeing, and partner facilities worldwide and delivers a wide range of basic through advanced courseware and product training. All class dates are available for either individual or group registration. Pricing represents individual pricing per location. Groups with more than seven (7) students can request group pricing and custom class dates at multiple locations, or at any customer training facility, worldwide.

ICAO Level 4 Aviation English and custom Pilot/Dispatch courses are available at all locations. Please contact us for more information.

COURSE PREREQUISITES

Registration applicants must be able to read, write, speak, and understand the English language. Applicants must also have a understanding of basic math and physics, and hold a high school graduation or higher education. Please contact us for applicants who are under 23 years of age.

COURSE TAILORING

Jeppesen has the unique ability to adapt existing syllabi to your individual training needs and requirements. In most cases we will be able to customize classes specifically for your small group. We can incorporate operator specific needs and/or regulatory requirements just for you. Contact us today to receive your individualized proposal.
