LEGEND

A panel indication is given to simplify finding a location referenced in this document. You will find the panel numbers either on the left hand or bottom side of an unfolded chart. Numbered panels subdivided by folding either into three vertical sectors: North, Center and South or into three horizontal sectors: West, Center and East. For example, 8-E means the referenced item is to find on panel 8 in the East sector of the relevant chart.

SOUTH AFRICAN REP

GENERAL

Charts FADN and FAJS scale should read 1:250000.

Danger Area FA(D)-46 coord S325430 E0183500 chgd to S325400 E0183515. **FACT/2-C.**
